LIGHT&PLAY®

Light&Play® brings dynamic content such as videos or smart mandates.

FLEXIBLE CONFIGURATIONS

Available in 21.5", 32" and Banner LCD screen formats, the **Light&Play®** adapts to your needs. It can be installed in portrait or landscape mode, seamlessly fitting into any part of your agency windows.

EASY MANAGEMENT OF YOUR CONTENT

Thanks to the VM APP integrated into the **Light&Play®**, displaying content has never been easier. The VM APP lets you create your own content and seamlessly transfer it to the **Light&Play®** via Wi-Fi.

EFFICIENT POWER USE

Light&Play® lowers power consumption for a sustainable and energy-efficient solution to display your content.

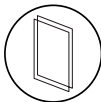

CUSTOMIZABLE BACK COVER

Light&Play® is delivered with a neutral black back cover in standard. This back cover can be customized with printed paper to add a visual according to your preference (logo, text, etc.)!

COMPATIBILITY

Light&Play® is compatible with most of Vitrinemedia's fixation systems.
